

Community of Caring Citizen Participation Plan

Notice of Public Meeting July 15, 2024 10 am

Community of Caring 245 East 8th Street, Erie, PA 16503

Community of Caring is an Erie based 501c3 non-profit that provides for individuals experiencing homelessness. Community of Caring will be filing an application for funds with the DCED under the HOME-ARP Program. The funds will be for the Supportive Services.

Community of Caring provides emergency shelter to homeless men and women. The HOME-ARP Supportive Services funds will be used to reduce homelessness and increase self-sufficiency by stabilizing residents in the shelter, working through the Domains of housing, physical and mental health, employability, documentation and connections to mainstream resources.

Community of Caring will be requesting **\$150,000** in funding to provide:

- Level I Case Management including intake, providing shelter bed, food, clothing and personal hygiene items.
- Level II Case Management will include focusing on the Domains
- Transportation assistance to include bus passes to access work
Fees for securing or renewing driver's license
- Rent/utility assistance to help in securing permanent housing

Community of Caring participates in the County Coordinated Entry process and tracks all information in the HUD` HMIS .(Homeless Management Information System)
